ADDENDUM 4

OPENING SERIES / MEDAL SERIES

1 Opening Series

1.1 The Opening Series may be divided into a Qualifying Series and a Final Series.

1.2 Qualifying Series (if applicable)

- a) On the first day of racing, kiteboards will be assigned to fleets yellow, blue, red etc., of, as nearly as possible, equal size and ability. Assignments will be made by the race committee and will be posted at least 30 minutes before the first warning signal is made. Those assignments will not be grounds for redress. This changes RRS 61.4(b)
- b) Kiteboards will be reassigned to fleets after each day of racing. If all fleets have completed the same number of races, kiteboards will be reassigned based on their ranks in the series. If all fleets have not completed the same number of races, the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all fleets. For three fleets, and similarly for any other number, reassignments will be made as follows:

First	Yellow
Second	Blue
Third	Red
Forth	Red
Fifth	Blue
Sixth	Yellow
Seventh	Yellow

etc.
- c) Reassignments of fleets will be based on the ranking available at 2100 on the day before they take effect, regardless of pending hearings.
- d) If all fleets have not completed the same number of races by the end of a day, the fleets with fewer races will continue racing the following day until all fleets have completed the same number of races. All kiteboards will thereafter race in the new fleets.
- e) If at the end of the Qualifying Series some kiteboards have more race scores than others, scores for the most recent races will be excluded so that all kiteboards have the same number of race scores.
- f) RRS A5.2 is changed so that the scores are based on the number of kiteboards assigned to the biggest fleet.

1.3 Final Series (if applicable)

If five or more races are completed by each fleet at the end of the Qualifying Series over a minimum of two days where racing took place:

- a) Kiteboards will be assigned to fleets gold, silver, bronze etc., based on their ranking after the Qualifying Series. There will be the same number of fleets in the Final Series as there were in the Qualifying Series. Final Series fleets will have, as nearly as possible, equal size with the following limitations:
 - Gold Fleet: max 25 kiteboards.
 - Silver Fleet: max 30 kiteboards (or remaining kiteboards if two fleets).
 - Bronze Fleet (if applicable): remaining kiteboards.Kiteboards with the best phase Qualifying Series ranks will race all Final Series races in fleet gold, kiteboards with the next-best Qualifying Series ranking will race in fleet silver, etc.
- b) Any recalculation of Qualifying Series rankings after kiteboards have been assigned to Final Series fleets will not affect the assignments except that a redress decision may promote a kiteboard to a higher fleet.

- c) When breaking ties, only Final Series races shall be considered. If a tie remains, it shall be broken by the kiteboard's standings in the Qualifying Series. This changes RRS A8.

- 1.4.1 A kiteboard's Opening Series score will be the total of her race scores except that:
- when from 3 to 6 races have been completed her worst score will be excluded;
 - when from 7 to 10 races have been completed her two worst scores will be excluded;
 - when 11 or more races have been completed her three worst scores will be excluded;
- however, not more than one score from the Final Series may be excluded when less than five Final Series races have been completed, and not more than two scores from the Final Series may be excluded when five or more Final Series races have been completed.
This changes RRS A2.
- 1.5 For the Opening Series overall standings, kiteboards will be ranked in the order of the kiteboards competing in fleets gold, silver, bronze, etc. This may not apply to a kiteboard disqualified under RRS 6 or 69.

3 Medal Series

- 3.1 The Medal Series will be divided into three stages: Quarter-Final, Semi-Final and Grand Final. Kiteboards advance from one stage to the other until the Grand Final. The race committee may cancel the Quarter Final and/or Semi Final stages if the completion of the Medal Series is in jeopardy, or when there are less than 8 entries in an event or gender. In such case, competitors ranked or seeded first and second in the previous stage advance to the next stage
- 3.2 The first ranked kiteboard in the Opening Series will qualify to the Grand Final carrying forward one match points.
- 3.3 The second ranked kiteboard in the Opening Series will qualify to the Grand Final carrying forward zero match points.
- 3.4 The third and fourth-ranked kiteboards in the Opening Series will qualify to the Semi-Final.
- 3.5 The fifth, sixth, seventh and eighth-ranked kiteboards in the Opening Series will qualify to the Quarter-Final.
- 3.6 The top two ranked kiteboards from the Quarter-Final qualify to the Semi-Final
- 3.7 The top two ranked kiteboards from the Semi-Final qualify to the Grand Final, carrying forward zero match points.
- 3.8 If there is a tie between two kiteboards, they will be ranked in order of their positions in the previous stage.
- 3.9 Grand Final
- 3.9.1 The Grand Final will continue until one kiteboard collects two match points. The kiteboard with the lowest race score collects a match point.
- 3.9.2 Kiteboards in the Grand Final will be ranked in order of the number of match points, from highest to lowest.
- 3.9.3 If there is a tie in match points between two or more kiteboards, they will be ranked in the order of their finishing positions in the last race. Any remaining ties shall be broken by using the tied kiteboards' scores in the next-to-last finals race and so on. If a tie remains, they will be ranked in order of their opening series ranking.
This changes RRS A8
- 3.10 The winner of the Grand Final is the winner of the event. All others are ranked as follows:

Event Rank	
1	1 st place Grand Final
2	2 nd place Grand Final
3	3 rd place Grand Final
4	4 th place Grand Final
5	3 rd place Semi-Final
6	4 th place Semi-Final

7	3 rd place Quarter-Final
8	4 th place Quarter-Final

If the Grand Final is not completed, competitors will be ranked in positions 1-4 according to the current standing of the Grand Final.

- 3.11 If a stage cannot be completed, competitors are ranked in the order of their finishing position in the previous stage. If the Quarter Final cannot be completed, competitors in the Quarter Final are ranked in the order of their position after the Opening Series.
- 3.12 Kiteboards in the Medal Series will be ranked in front of the remaining kiteboards competing in the gold fleet, which will be ranked in front of kiteboards competing in subsequent fleets etc. This may not apply to a kiteboard disqualified under RRS 6 or 69.

4 Scores in the Medal Series determined by the race committee.

- 4.1 A kiteboard that came to the starting area but did not start or did not finish will be scored points for the finishing place one more than the number of kiteboards that finished and were not disqualified or retired.
This changes RRS A5.
