Sports: 41 sports

Venues: XX competition venues, XX training venues

Concept:

1.1. Emblem

The smooth curves describe the liveliness of sports.

The center line colored in purple, gold, and green inspires the image that people get together as one and go forward to the future by heading to a bright red sun, the symbol of the OCA. The purple represents the iris, which is the prefectural flower of Aichi. The gold describes "Kinshachi", the golden tiger-fish roof ornaments and the symbol of Nagoya Castle. The green inspires the high environmental consciousness among people of Aichi-Nagoya fostered through EXPO 2005 Aichi, COP10, and the UNESCO World Conference on ESD. The emblem contains the initial letters of Asia, Aichi, and Nagoya. You can see "A" described by the purple curve and the center and the center line and "N" in the purple and the gold.

1.2. Mascot

"HONOHON" was born from the fiery passion that dwells in the hearts of athletes, becoming one with Shachihoko, the guardian deity of Aichi-Nagoya.

Aichi-Nagoya have historically been the birthplace of "Kabukimono", eccentric samurai warriors who excelled in scholarship, martial arts, and the arts. Inspired by this tradition, Honohon features red 'Kumadori' makeup around its eyes, resembling the style used in Kabuki theater.

2. Accreditation and Validation

AINAGOC will distribute the Accreditation Guide to Responsible Organisations in December 2025.

AGIAC will entitle cardholders to access the venues and zones indicated on their card in order to perform their duties.

3. Validity Period of AGIACs

When accompanied by a valid passport (or equivalent document), PVC or AGIAC will serve as a visa waiver which allows multiple entries when applying for landing into Japan.
